How We Will Meet

We will meet by phone. Call 855.888.TOLW (8659) at scheduled time of appointment, not 5minutes early or late. Appointment will last 1 hour.

Dr. Sly is 100% committed to serving you with the highest quality of excellence.

Therefore, we ask that you give your coaching experience high priority and come prepared to give 100%.

Initial Coaching Period

Dr. Sly recommends you commit to focusing on achieving your goals through coaching for a minimum of 3 months. The benefits of coaching build over time and it is important to realize that coaching and health consulting is not a “quick fix”. If you make a commitment now and really focus on reaching optimal wellness over the next 3 months, you will be amazed by the results.

Referrals

If our coaching has enabled you to generate the results you want in your life, we would be honored if you would share your coaching experience with others and refer Dr. Cheryl Sly to anyone you know who might be interested in what coaching/health consulting has to offer.

Testimonials

A testimonial during or at the conclusion of the coaching program is appreciated!
